## My Team Rubric

TEAM RUBRIC	Novice	Basic	Proficient	Advanced
<b>Cooperative</b>	I do not help the team. I ignore others.	I am sometimes willing to help my partners.	I share work when asked. I listen to my partners.	I willingly explain things to my partners. I use my partners' ideas.
<b>Creative</b>	I never think of other ideas to solve problems.	I occasionally have and verify a new idea, but I demonstrate little follow through.	I think of and use new ideas but I do not take the time to compare my idea with other ideas.	I develop and verify new ideas or ways of doing things. I compare my idea with other ideas to select the best approach to the task.
<b>On Task</b>	I constantly talk to others in the room about unrelated topics. I rarely work on task.	I sometimes talk to others about unrelated topics. I drift in and out of being on task.	I usually stay on task and talk only to my partners about the specific topic.	I always follow the steps on the task and I sometimes go beyond the assigned concepts.
<b>Prepared</b>	I never have necessary supplies for the task. I do not bother to understand the task.	I sometimes borrow supplies from others. I skim tasks but do not really understand the big idea.	I have the necessary supplies to complete the project. I strive to understand the big idea of the task.	I have all the supplies for the project. I am able to explain to others the big idea of the task.
<b>Skillful</b>	I make no effort to learn new tasks.	I am satisfied with being able to answer questions but I have no real understanding of why I am doing the task.	I have a general idea of the task. I am able to answer specific questions about the task.	I have a clear understanding of the task and its relationship to our subject. I question the depth of my own understanding.
